

## Fallbrook Art Center Painted By Fallbrook Rotarians At Work

A team of Rotary Club of Fallbrook club members painted window display walls, doors and dividers at the Fallbrook Art Center as part of the clubs ongoing Rotarians At Work projects. In addition to the District and International Rotarians At Work Day each April, the Fallbrook Rotary Club provides a hands on, "sweat equity" assist to local non-profit projects in need of strong backs and special talents throughout the year. The effort is part of their Rotary Motto "Service Above Self". For more info: [www.fallbrookrotary.org](http://www.fallbrookrotary.org)
